## **SUMMARY OF QUALIFICATIONS**

- Outstanding leadership of diverse civilian and military intelligence teams with widely varying responsibilities.
- Expert strategist and planner at combatant command and service headquarters levels.
- A Middle East regional expert with highly specialized knowledge of Iraq and Iran, as well as two years of experience in the region.
- Extensive background in developing, implementing, and directing collaborative efforts involving multiple, geographically distant agencies.
- Superb communications skills, capable of writing for an executive or specialist audience, able to create and present briefings to executive audiences.

## **EXPERIENCE**

### Leadership and Supervision

- Supervised a staff of nine interagency personnel, set priorities for analysis and production, established relationships with analytic counterparts.
- Supervised a staff of eight personnel, set priorities for analysis and targeting, ran real-time intelligence support of ongoing flight operations over Iraq.
- Commended by National Counterterrorism Center (NCTC) Director for leadership of combined NCTC, FBI, and CIA analytic effort detailing global Hizballah threat.
- Leadership of analytic effort against Iraqi air defenses key to flying over 30,000 Operation Iraqi Freedom (OIF) missions with no losses to radar-guided missiles.

### Analysis

- Pioneered concept of counterterrorism capacity analysis within NCTC's Directorate of Intelligence, examining the ability of states to attack terrorist capacity.
- Analyzed policy and presented policy options to Commander, United States Central Command (USCENTCOM), General John Abizaid.
- Provided analytic foundation for consequence management and strategic communications efforts responding to threats against key Iraqi religious leaders.
- Prepared air defense targeting studies and led interagency coordination of air defense targeting priorities—resulted in a 50% reduction of the threat during OIF.

### Communication

- Prepared and delivered over 2000 extemporaneous and scripted presentations to audiences ranging from the CEO level to peer groups.

## **Name**

Page 2

- Prepared numerous written products, covering a wide variety of topics from technically focused papers supporting air combat operations to speeches for senior military leaders.
- Demonstrated skill in creating products under pressure, with two instances of preparing briefings for use with the Secretary of Defense and President in under four hours.

### **Planning and Implementation**

- Created crisis management and notification procedures for NCTC's Directorate of Intelligence and International Terrorism Group.
- Developed and managed the metrics used by USCENTCOM to gauge insurgent activity in Iraq, setting the command standard.
- Focal point for USCENTCOM strategic communications efforts, personally selected to lead effort to build new command structures and processes.
- Created and implemented plan for integration of seven different intelligence agencies working Iraqi air defense issues—resulted in unity of effort during OIF.
